Leave master

When looking for a **Leave Management System** you need a system that facilitates the total leave process, from completing leave applications by employees, leave application approval by their reporting head to setting up your specific company parameters such as leave types (Privilege Leave, casual leave, sick leave, accident leave, maternity leave, etc.).

Leave can be **allocated** annually [first week of January].

Leave can be **allocated automatically at the time of staff registration**

Manually can be add the leave master.

To filter the leave master by using officewise,categorywise,departmentwise,year
